## Can you help? Would you like to volunteer?

We have a range of opportunities within the shop including; Stockroom Assistant, Window Dresser & Shop Assistant. No retail experience necessary. We provide full training so that you can become part of our friendly team.

**WORKAID** refurbishes donated tools and equipment to send to vocational training projects in East Africa and in the UK. These help disadvantaged people learn a skilled trade and earn a living. Items which are not suitable for sending overseas can be sold in The **WORKAID** Shop to help fund our work. Please donate suitable items to help.
