

**You can be sure your gift will
MAKE A REAL DIFFERENCE
to someone's life**

"It has been my ambition since I was a child to pursue a course in Electrical Installation and I am now training at Ebusiralo Polytechnic. I would like to take this opportunity to appreciate for the tools and equipment you donated to our Electrical department which has enabled our practical work to be efficient and will be very beneficial to our future life."

- **Sammy, aged 18**

"My life has really changed completely and now I can look after myself and my child. With sewing machines **WORKAID** has brought us another skill."

- **Beatrice, a disabled mother from Zambia. After training in tailoring she has gone on to run her own business and become a trainer herself.**

"It is my dream after finishing my course I will open my own workshop. This will help me to employ myself and my relatives. Being told that our centre is going to receive a container of various metal works and wood works equipment is very exciting news ever heard!
God bless you more and more!"

Each year **WORKAID** assists over 9000 disadvantaged people. Since 1986 we have been supplying refurbished tools and equipment to vocational training projects and self-help groups in the UK and East Africa.

Giving people skills enables them to become self-supporting. They can earn a living, buy food and send their children to school. Through this the cycle of poverty is broken.

"It is not like giving food. If you give food you take away their dignity. If you give people a tool you give them dignity, personality and pride."

- **HE Mrs Mwanaidi Sinare Maajar**, Ambassador of the United Republic of Tanzania to the United States

All the equipment we supply is donated to us by the public. Collected from all over the country by volunteers, it is brought back to our workshop in Chesham, to be refurbished by a team of dedicated volunteers. Any items which are surplus or unsuitable for sending overseas can be sold in the **WORKAID** SHOP to help fund our work. Please see our website for more information.

I want **WORKAID** to claim **Gift Aid** on my donation, any donations I have made in the past four years, and those I make in the future, until I tell you otherwise.
