

Zentangle

Julia Welchman

Zentangle is a very popular art form that doesn't require you to be an artist. During this session you will have the opportunity to draw simple patterns that, when used in a repetitive way, will create designs that can be applied to paper and fabric crafts and to embellish surfaces such as wood, stone and plastic.

All you need to bring is a pencil and a small pair of paper cutting scissors.

A basic kit will be provided at a cost of £2.50 payable directly to Julia.
£7.00 payable on the day but please email or phone to book a place.
