

Beautiful Blooms in Crochet

Rosa Maria Welsh

What better way to welcome spring than to make beautiful flowers? Crochet your favourite species to use as decoration, or to embellish clothes, accessories, cushions and throws.

From daisies to roses, daffodils to hellebore, buttercups, forget-me-nots, lily of the valley, periwinkle, marigold or gerbera – the choice is yours!

All are easy, quick, and fun to make. Patterns will be available for a wide variety of beautiful blooms.

Bring yarn of your choice and suitable crochet hook though some will be available for you to borrow.

Note – Pay on the day but please pre-book a place.
