

## Beginners Crochet

Rosa Maria Welsh

Have you always wanted to crochet and never got around to it?

Crochet is quick and easy, it's very portable and versatile, and such fun to do! This session will cover the basic stitches: chain, double crochet, half treble and treble, that form the foundation of all projects and it will put you in a position to join the afternoon workshop and advance to pattern reading to make beautiful flowers. So you can sign up for just the morning or for both sessions.

Bring a No 4 crochet hook and DK wool in any light colour if you have them but it will all be available for you to borrow.

Note – Pay on the day but please pre-book a place.
